History & Relationships

Born in YE 12 on Yamatai, Shimura Grace is the child of a Nepleslian merchant and a Yamataian diplomat when both were a unified nation. In YE 28 when the split occurred, her father and mother had a falling out with competing nationalism. He would leave for the Nepleslia, failing to convince his daughter to embrace her inner Nepleslian half and come with her when she was 16. While she understands her father's motivation, she still despises (and by extension the DloN) for breaking up her family.

She attended the Kyoto War College in YE 30 and graduated in YE 34 with a thesis proposing the creation of a more specialized power armor units and combined arms legions. Though her paper had nothing to do with their creation, she was quite excited to hear about the formation of the Rangers and more so with the Giretsu. She gives a lot of leeway with her own Giretsu Century to develop in their own way due to a lack of Corps level command.

She has since gradually risen up the ranks first on Naval ships, but eventually with Rikugun legions such as the 9th and the 2nd Legions. In [YE 43](#), she was assigned as the commander of the 41st Army of the 9th Area Army of the [Star Army Rikugun](#). Later, she also became the commander of Rikugun Base Fujiko. In [YE 46](#) when the 75th Legion was transferred to the 46th Army of the [1st Expeditionary Area Army](#), Grace was transferred to the [Rikugun University](#) to become the university's first president.

- **Fighting:** Shimura Grace is a graduate of the SAIC, using her connections and rank to get a slot.
