Yuki approaches her job with total seriousness. Very detail-oriented, she isn't one to joke on duty, not wanting to ever be accused of inattention (or be considered too immature or inexperienced for her post). Off-duty, however, she cuts a much more relaxed figure. She loves both tennis and bicycling, as well as juggling for fun. She's also an avid karaoke enjoyer, even if her singing isn't quite what one would call idol quality.
