- Mother Ashley (Deceased)

Raquel was born in [YE 15](#) in the seventh month, aboard a freighter that her parents worked on as crew. Her parents were [Nepleslian](#) and never chose to upgrade. When she was two they decided to settle down on [Yamatai \(Planet\)](#). They made their home in [Kyoto](#). Her father worked in [Ketsurui Fleet Yards](#) as a maintenance person, and her mother opened a botanical shop where she grew plants and sold them along with homeopathy remedies. In [Chūgakkō](#) Raquel excelled in science and decided she wanted to be a Xenobiologist.

In [YE 30](#) her parents chose to join the new [Scientific Studies Service \(SSS\)](#). Raquel was proud of her parents decision and would visit them at the [Primary Campus](#) or the [Tansaku Staging area](#)

Early in [YE 31](#) Raquel's parents left aboard the [YSS Genus](#) on an expedition. Shortly after the expedition left the [Second Mishhuvurthyar War](#) erupted. Kōtōgakkō in her first year.

YE 32 She decided to use her survivor benefits from the SSS and enrolled in the [SSS Academy](#) with the intention of getting her degree in five years.

Late in **YE 33** she received word that the [YSS Genus](#) had been found by the [YSS Aeon](#). While there were survivors, none of the Expedition members survived. Since there was no expectation of danger, none of them had created a mental backup. Raquel was forced to deal with the loss of her parents yet again, only this time it was with the certainty that they were deceased.

She was in [Kyoto](#) attending class when the [Battle of Yamatai](#) occurred. She stayed on the campus in the emergency bunkers under the school. After the battle she checked on her friend [Yikateme Sakura](#) and found that she had lost her family.

In the aftermath of the battle, she chose to upgrade to the [Minkan](#) body, and applied for a position in the SSS as a trainee.
