History

Family

Suriyama Shinji (Father, 49) Suriyama Sachi (Mother, 50) Suriyama Eko (Brother, 23 (Deceased))
Suriyama Sakura (Sister, 16)

Pre-RP

Aoi was born in [Kyoto](#), Yamatai, in [YE 09](#). She grew up watching the conflicts of the Empire, first against the Elysians and then against the Mishhuvurthyar. She attended school in Kyoto, and until she came of age never left the boundaries of the city. When the [Second Mishhuvurthyar War](#) began, she still hadn't left, and was in fact pursuing an education in interstellar communications. A few days later, she received news that her brother, Eko, died in an attack by NMX forces. Dreaming of revenge, Aoi enlisted in [YE 31](#).

Aoi went through basic training and, because of her partial education in interstellar communications, volunteered for a communications specialization. Aoi was assigned to a pair of starships, seeing action with the 4th Standard Fleet briefly in the aftermath of South Gate, and then saw the bulk of her combat

experience mostly in and around the Former United Outer Colonies. Coincidentally, most of it she saw on the ground as part of Away teams sent planetside. With the advent of the Legions and threatened with a promotion that would place her away from the frontlines (with the war changing and all) she decided to request reassignment to the ground as an Artillery Spotter.
