Physical Description

Rather tall for her age, and with a lean build, and an angular face, Ai takes strongly after her father. While she and her older sister both inherited their mother's lustrous black hair and “classical beauty”, Ai often worries that the combination of features that look elegant on her older sister make her look look slightly villainous.

Personality

While she sometimes gives off an air of unapproachability, she's simply socially awkward and often focused on something other than the present. She worries that everybody compares her against her older sister, a Star Army Ranger and a former Pathfinder Kikyo Scout, or her parents who are both rather well respected in their respective fields. Because of this, she's gained a reputation as an over achiever pushing herself to excel in school as well as the Scouts.

History

Takahashi Ai was born 6日 8月 [YE 26](#) on [Jiyuu III](#). Ai has spent the majority of your young life living in the shadow of her talented older sister, and two moderately successful parents. Her father, Mike Takahashi, is the founder of an up and coming security firm and her mother, Mayumi, is a popular musician. She spent her early years in [Tokyo](#) until her family was forced to flee the [SMX](#) invasion. After the city was deemed suitable for refugees to return, the Takahashis settled in [Midorinami-cho](#) in Tokyo. She grew up learning to surf with her father and older sister, Yusa. When she noticed that she seemed to have a talent for the sport, she convinced her parents to let her participate in amateur surfing competitions. Overtime, she became a rather accomplished surfer, becoming rather well ranked for her age group. That was, until she abruptly quit. For a short time, the distinction of “Surfing champion” was one thing she had over her sister. However, she had been competing to simply beat Yusa instead of for herself. This wasn't the first time she'd found herself in this situation, but it was the most visible incident.
