History

Family

Eldest son of Hirasawa Kenta and Haruka Naralovska. Has a single brother, Saburou Kenta.

Pre-RP

Although his father was from the colonies, he, like his mother, was born in the very Capital of the Empire.

As such in his upbringing he had access to the extensive media and education the Empire had to offer, and he enjoyed the high living standard of his homeworld. Since young, he had an above-average intellect, yet he could be a bit naïve at times. Despite the wishes of his parents however, he did not content himself with the life of an academic or administrator of sorts; instead, he desired adventure and honor. To reach the depths of space, to see what others have not seen. To protect the Empire against the evils that lurk in distant worlds. To guard the prosperity of the Empire with his life. Thus the military – he perceived – was a perfect outlet for his desires. He joined the Star Army in the hopes that, one day, his dreams could be realized. In the meantime though, he intends to fulfill his duty with respect and dignity.
