She is an extroverted, outspoken and eager advisor that has a distinct sense of humor and playfulness about her personality. She is known for her upbeat personality, chatty discussions, and occasional prankster behavior. She tends to fill the silent voids of bridge duty with dialog and often makes jokes about her connection to the ship itself.

Himawari serves as the maternal figure on board the ship, second only to Katsuko herself. She is diligent with her creation, development, and care for her other sprites and the crew of the ship. From the time she was brought online when the [KAMI](#) was installed in [YE 41](#) she has proven to be a protective and dominant personality among the Tokyo's crew.

## History and Relationship Notes

- From the time the ship's [KAMI](#) became active, Himawari has been present on the bridge and is often seen roaming the passageways of the ship. She often interacted with designers, engineers, and other workers during the construction process which aided with the completion of the ship.
- She has served as the ever-present eyes and ears of [Ketsurui-Motoyoshi Katsuko](#) and has formed a bond of friendship with her.
