Maya's Personality and Mentality

Maya is militaristic and heavy-fisted, demanding of her subordinates and of herself. She tends to be a very closed off and reserved, brutally honest, and has no hesitation in speaking her mind.

Maya's History

Maya is a product of her circumstances. She is a member of the Tange and an avid supporter of the independence of the [United Outer Colonies](#) from the [Yamatai Star Empire](#). She however believes that the advocacy of Peacekeeping is a mistake and is aligned with members of the Tange that would one day like to make their former parent nation suffer in revenge for the destruction of [Taiie](#). She likes heavy weaponry and is an expert in demolitions and fleet combat having served under Todd Mazu back in the days of the [Fifth Expeditionary Fleet](#).

She has a rather extensive personal armory of items that should of been returned to the [Star Army of Yamatai](#) and other fine organizations.
