Physical Description

Standing at roughly five and a half feet, Yuukito appears taller than she really is, owing to a deceptively frail and thin physique. Her pale body bears little in the way of curves, with narrow hips and small breasts. The Minkan's face is similarly thin and frail, with pronounced cheek bones and small lips, giving her dark, chocolate-brown eyes an unusually large appearance. She wears her hair, coloured an almost identical dark brown to her eyes, in a short bob hair cut.

Personality

Almost a reflection of her mousey appearance, Yuukito is outwardly meek and quiet, yet deeply passionate and emotional. She works almost tirelessly when presented with an interesting obstacle to overcome, and enjoys to listen more than she likes to speak. She enjoys personal contact and values private time with friends.

History

Yuukito Ayame was born in YE 14.

Born to a family of scientific proficiency, Yuukito followed in the footsteps of her forebears by pursuing an academic career. She surprised her family by how she then chose to use her accumulated skills: joining with the Star Army of Yamatai, where she was then assigned to Fifth Fleet.
