### Family (or Creators)

- Father: Phelos Zoroaster

## Pre-RP

Zozo had been a young servant from a family with a long history of servitude, until the war with Yamatai grew dire. With his master's permission, he quickly enlisted for the Elysian Naval Fleet. Sadly his time with the fleet would be short. Just after he completed his training and was assigned to the front lines, before he could take part in any battle, a treaty had been signed. Struggling with emotions of confusion and betrayal it wasn't hard to believe that he was one of the many Elysian soldiers that did not take folding into Yamatai's Star Army well.

while waiting at a Yamataian station for transfer to a new assignment, a fight had broken out between a group of low rank Nekovalkyrjas and a pack of high strung Elysian soldiers. Getting caught up in the moment, Zozo was forced to join his friends and even managed to land a good hit square on a Nekovalkyrja's cheek. Not long after did Yamataian officers show up to break up the fight and detain the involved parties, prompting Zozo and many others to run. Finding a secluded spot not too far from the shuttle bay, he caught his breath while waiting for the commotion to die down. It was then that he realized he had been followed by the very Nekovalkyrja he had managed to strike.

Rather than coming after him for revenge, she had come to ask him why he had fought. It seemed that she was one of the few Nekovalkyrja that tried to stop the fighting before the officers arrived. She started talking about how sad it was that their two races didn't get along and of her dreams of a universe filled not with war, but with love.

"Here, for your leg" she had suddenly said, passing an adhesive strip with a flowery star pattern over to him having just noticed his scraped knee. "Oh, and you got a nice left hook." She added, pointing a thumb to her cheek before giggling and running off to whatever post she had abandoned.

It took moments before Zozo could register what happened. He had hated the Nekovalkyrjas for what they did but he could not bring himself to feel the same about her. She was kind and caring and... beautiful. Looking down at the object she had given him, he could feel a warmth in his heart. Instead of using the strip, he stuffed it in his pocket and quickly ran back to the shuttle bay to report to his superiors about his involvement with the fighting and to make a request be reassigned as a medic.
