

# Akemi's Kawaii Cafe

[Koga Akemi](#) once created a *full service* restaurant chain named [Akemi's](#) with resounding popularity amongst crowds far and wide. He became enthralled with finding the resources to start up a business that profited the communities they were in, not just himself. Which is why he has only slightly shifted his focus for his newly franchised [Kawaii](#) cafes and is a subsidiary of [Akemi's Umbrella](#).

## More About Akemi's Kawaii Cafe

Many Kawaii here are customized to have unique "looks" to them and every one is different.

50% of profits are sequestered away for charities of Akemi's making.

## Decor of Akemis Kawaii Cafe

A typical *Akemi's Kawaii Cafe* has two types of rooms. The foyer to the cafe will have a couple of lounge chairs and paintings of Akemi but not too much room for hanging around. One is meant to choose between the two thematic rooms, which are named above their open doorways in the foyer.

### Poofy Paradise

This room is painted with soft pastels and colored lights to give the aesthetic appeal of something reminiscent of a well-spent childhood. This is in part due to the gifs that play on [viewscreens](#) of pool water lapping against itself and of clouds passing. There are framed pictures of Akemi, world leader Uso's portraits in magical girl apparel, and horses in fields and meadows. There is a counter and pickup window embedded in one of the room's walls and the room is devoted to Kawaii trees, love seats and lounge couches, cushions, and tables. The deserts of the Kawaii cafe are all sold in this room.

### Lucky Lounge

This room is dimly lit with low hanging lamps over the [Coffee](#) bar with tall stools behind which the barista will work. The couches and chairs are all dark brown leather, tarnished metal, or distressed wood. There is an air of the beans for the [Coffee](#) in the air and on the walls, which are decorated with pictures of the ingredients used in the cafe.

## Really Rad Room

This room is for skateboarders, surfers, and Hanako's World-types and those that enjoy that feel. Cowabunga music plays in the background and viewscreens show surfing and skateboarding videos. There are two ferns and a living rubber plant, a ficus, and a row of bonsai behind the juice bar, where smoothies are blended.
