A popular and locally made soft drink in the [NDC](#). It is for the most part a normal cola recipe, but uses local ingredients unique to Sirris VI, giving a unique taste.

- Manufacturer: [Black Wing Enterprises](#)
- Price: 1 [DS](#)

Overview

A refreshing beverage that comes in a variety of artificial flavors. The cola itself however is made entirely from a recipe that uses only local ingredients. The supplementary flavors were added later for variety, as well as for a boost to marketability of the product. It is a widely favored soft drink across the [NDC's](#) domain.

History

In [YE 41](#), the [NDC](#) had finally rooted itself into the soil of Sirris VI. With this, the people began to develop a culture and lifestyle all their own. One such facet of this, was local created food items, particularly in terms of drinks. Thanks to the culinary curiosity of a local chemist and soft drink aficionado, this anonymous benefactor formulated the recipe for a locally created cola made from ingredients found on Sirris VI. The recipe was donated to the rising company called [Black Wing Enterprises](#), which made the drink commercially available.

Packaging

The Conclave Cola is stored in a sealed can made of durandium. The can is sealed at the top with a flap of the material where it's been made to pop in when the tab is used to open. The outside of the can is printed with the proper labeling as well as the logo of the product.
