

Plasma Jet

A popular citrus and berry flavored liquor that glows a shade of deep blue, just like the plasma used by the [NDC](#) to power many of their technologies.

- Manufacturer: [Section 6](#)
- Price: 5DS

Overview

The creation of who some might call a madman with a still. [Zeke Rykiel](#) in one of his many alcoholic experiments, created the blue raspberry flavored liquor with a blue glow, which in the [NDC](#) fondly became known as “Plasma Jet”. It was a more than average drink of choice for the colonist during the exodus from [Planet Osman](#) to [Sirris VI](#) in the [Sanctum](#) star system. It has only rose in popularity since then, becoming a favorite across what is now the [NDC](#).

History

[Zeke Rykiel](#) was known as quite the brewer, even having the ambition of starting a bar someday. As life long friend to the lords of the [NDC](#), they were sent regular shipments of his creations.

In [YE 40](#), as a result of one particular round of experiments in brewing. Plasma Jet was created, a citrus like liquor with a apparent blue glow. Originally, the glow caused the drink to meet some wary criticism, but were put to rest after proper medical trials were run. In [YE 41](#), Zeke with a few tweaks, passed on his recipe to the folks at [Black Wing Enterprises](#), who began producing it for commercial sale. It is now a widely enjoyed alcoholic beverage across the [NDC's](#) domain.

Packaging

This glowing blue liquor is contained in a sealed can of transparent durandium, with a tab that pushes in a part of the top lid to create a opening in the can to drink out of. The can is see through to show off the blue glow of the liquid within, which backdrops the logo on the front of the can. In addition, it is labeled with the appropriate information, as well as usual alcohol consumption warnings.
