*Emrys Industries*

*A Tamahagane Company*

The EM-J5-M3600 Emoticon pack was developed for use in the [EM-J5 Flying Assistant Robot Series \(FARS\)](#), it became available in [YE 36](#).

## About the EM-J5-M3600

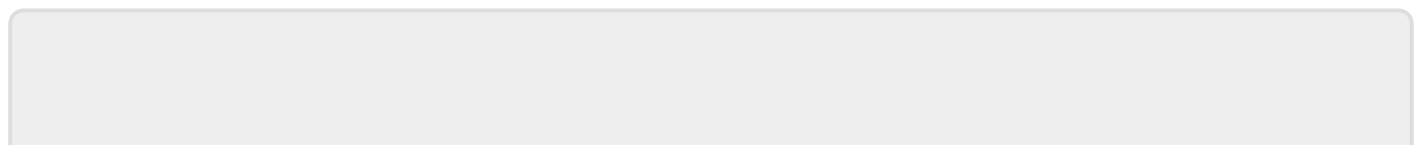

The J5-M3600 provides the EM-J5 with a personality to improve its interaction with its partner. The Emoticon Pack comes with a visual representation, as well as audio to accompany it. The Emoticon Pack uses a holographic storage and once installed into a given EM-J5 can only be used in it. Emoticon Packs have the ability to be customized by the owner, or customized by the EM-J5 based on experience. The pack uses a holographic matrix to store data. The Emoticon pack starts with basic emotion responses such as angry, concerned, happy, bored, scared, sad, and disappointed.
