OOC Notes

Flavor of Victory serves as an excellent backdrop for storytelling within the Star Army Roleplaying setting on the StarArmy.com wiki. It can function as a meeting point for characters, a locale for casual conversation, or even a starting point for a new adventure. While the restaurant is rooted in traditions similar to those on Earth, players are encouraged to infuse their own twists and ideas, so long as they fit within the framework and lore established by the Star Army Roleplaying community.
