

Geshrinari Emergency Supply Station

The Emergency Supply Station or ESS are commonly found on all [Geshrinari Shipyards](#) vessels and stations. They contain emergency supplies for use by those who are on board. They are not the same thing as a [damage control station](#). On stations and larger vessels the station is a closed locker. In some locations, and on some smaller craft they are a location on the interior where these can be found. Items usually found with are:

- [EM-G9-1A Basic Flashlight](#)
- [Fire Extinguisher](#) s
- O2 Walkabout bottles
- [EM-G4-1 Filter Mask \(Basic\)](#)

The number of these items depends on the population.

Note: Where feasible specify location, and contents.
