

Geshrinari Wardroom

The [Geshrinari Shipyards](#) is a multi-purpose room. It serves as a private eating place for senior crew members. It is also used as a briefing room.

A [standard ship's door](#) with a [Ge-Y1-E3103 - Intercom System](#) opens into the room. While the size and occupancy of the room may vary they all contain the following.

A large central table surrounded by chairs. Traditionally the ranking crew member sits at the end of the table. A view screen on one of the walls, and a some are equipped with a volumetric display above the table. In a large installation additional small tables may be installed in the room. There are a set of shelves with webbing to hold stuff in place. Normally used for storing common items, such as board games, shared books, etc. Depending on the ship design there may be a window.

A small nook located off to the side contains a [Coffee](#) maker, icemaker, microwave, mini-fridge, and a small drink bar. If meals are to be taken, they are brought by the cooks to the room.
