The lemochi clan is a prosperous business family originating from the [Yamatai Star Empire](#). [lemochi Jonnex](#) is the de facto leader, but nobody has heard from him for a number of years so in practice [lemochi Chiyo](#) is the matriarch. They run [lemochi Innovations & Sales](#) and their umbrella of companies.

For a long time, there was a fracture in the family, where the Elysian branch separated from the main branch. This was due to [lemochi Seinosuke](#) being forcibly estranged from the family at birth, as his birth had resulted in the death of lemochi Kimberly, the beloved wife of [lemochi Jonnex](#).

[lemochi Seinosuke](#) was ejected from the family, eventually joining the [YSS Kaiyō](#), the first of the family to join the [Star Army of Yamatai](#). There he met his wife [Arbitrated lemochi](#) and raised children as part of the extended family.

The Elysian branch had attempts made on their lives by the revenge-obsessed [lemochi Jonnex](#), to the point of attacking them among the [Kaiyo](#) crew on USO, and later in their own home on [Elysia Novus](#).

After [lemochi Jonnex](#) retired and went missing, and following numerous attacks against the lives of the Elysian branch, the new matriarch [lemochi Chiyo](#) unilaterally resolved to bring the estranged brother and his family back into the fray.
