

# Wardroom

Though called a wardroom by [Origin Industries](#), it is closer to a mess hall. It is often used as everything from the usual mess hall to a meeting room. Some people may call it a “multipurpose” room because of it's all around usefulness. The wardroom's size varies by ship, but all contain the same things:

- Large Table(s)
- Rolling, padded chairs
- Direct access to the kitchen
- Several viewscreens, number depends on size of room
- recycle/waste bins
