2024/05/17 16:15 1/4 Ocelot Hover car

# **Ocelot Hover car**

The Ocelot Is a basic but luxurious Hover car. It is manufactured by **Origin Motors Corporation**, a branch of **Origin Industries**.

### **Features**

- Watertight cabin
- Leather seating
- Autopilot

### **Price**

5,000 KS The Ocelot is available in any color you can name or provide a sample for, at no extra cost. Specific color schemes and patterns may also be requested, but may carry an extra charge (around 50-150 KS depending on the complexity)

### **Appearance**

## **Details**

The Ocelot is a high-speed hover car capable of traveling great distances effortlessly due to its powerful hover pads and efficient thrusters. The cabin is water-tight and sports leather seating, Air Conditioning, wood panels, a surround sound speaker system, and a viewscreen for the rear passengers. The Ocelot can be controlled either through standard car-type controls, or through a simple autopilot system. The Ocelot usually keeps about 1 foot above the ground, but this is variable depending on terrain and pilot
