

MFY Type 30 Standard Enlisted Bath House

Standardized Enlisted Bath House to be added to all [Motoyoshi Fleet Yards](#) vessels produced for the [Star Army of Yamatai](#) in [YE 30](#).

The Bath House features two side by side tubs with adjustable jets, the tubs fit one or two depending on the level of fun the user wants at bath time. A large multi-person shower is great for scrubbing off the grime of your last battle, it also can provide an excellent venue to host the next Enlisted Waterworks party.

One Bath House is designed to serve four to eight personnel at a time, and the decor can be modified at the discretion of the ship's CO. The number of Enlisted Bath Houses depends on the size of the vessel they are on.
