

# Governments in Sphere of ASE Influence

According to the [Imperial Constitution of the Abwehran Star Empire](#) and the [Abwehran Expansion Doctrine](#), the Abwehran Star Empire cannot make any planet in its sphere of influence a member of the Empire. Colonies need to meet requirements before becoming members, independent nations must want to join, and primitives species must be protected. These are the system / planetary governments in the Empire's sphere of influence.

## Colonial Governments

Governments formed from colonies established by the [Abwehran Star Empire](#) and members of the Empire.
