

# Eisjewwl Planetary Government

According to the [Imperial Constitution of the Abwehran Star Empire](#) and the [Abwehran Expansion Doctrine](#), Colonies of the [Abwehran Star Empire](#) do not have representation in the [Imperial Parliament](#). Setting up a system government is the one of the steps necessary to become a member world of the Empire and the Eisjewwl Planetary Government is the System-wide Government of the [Meltra](#) System.

## Administrator

Elected by popular vote from the colonists of Eisjewwl, the Administrator hold Presidential Powers in the system. This gives him the ability to sign bills into laws or veto bills. Unlike the the Imperial Family, the Administrator has no power over the military. Instead, the [Eisjewwl Defense Force](#) and the Meltra System Defense Force are required by Imperial Mandate to support the Government. Because of this mandate, the Administrator represents the Eisjewwl when dealing with the [Abwehran Armed Forces \(AAF\)](#).

The Administrator of Eisjewwl serves for a Term of One Abwehran Year (four standard years) before another one must be elected. Further more, the Administrator can only be elected for a single Term.

## Eisjewwl Parliament

They are responsible for both creating, debating, and passing bills to the Administrator for approval. Once the Administrator approves the bill, that bill becomes a law. However, if the Administrator vetoes the bill, the Parliament has the ability to appeal the veto with a vote of 4/5ths of their representatives.

A Representative in the Parliament serves a term of Two Abwehran Years (8 standard years) and may only serve for a single term before another Representative must be elected. The Colonial Parliament's size is to be determined by the population per province with the restriction being One Representative per 1,000,000 citizens. However, since the provinces have yet to be zoned, the Eisjewwl Parliament has temporarily been restricted to 1000 Representatives.

## Eisjewwl Judiciary

Popularly elected, the Eisjewwl Judiciary is responsible for ensuring that laws on Eisjewwl are allowed by the [Imperial Constitution of the Abwehran Star Empire](#). Each member of the Judiciary is called a Chief Magistrate and each magistrate serves a term of Two Abwehran Years (8 standard years). A Chief Magistrate may serve a total of Two Terms before another must be elected.
