

Oberfeldagens

Oberfeldagens are solo agents who have been given the authority to fight back on their missions. While they still don't have the authority to kill, Oberfeldagens can use a variety of non-lethal methods to disable pursuers and targets. Sometimes, they can be paired up with [Feldagens](#) and [Unteragens](#) as mentors or to provide distraction for those missions.

The final operative rank is [Stabsfeldagens](#).
