

Stabsfeldagens

The first and only solo agent able to kill while on missions, Stabsfeldagens are the elite of the elite. A stabsfeldagens goes out onto the field ready to die at a moments notice. Trained in intelligence gathering and analysis, a stabsfeldagens should also be highly skilled in assassination of priority targets.

Stabsfeldagens are also the only solo agents that don't pair up with other solo agents. The entire purpose of the Stabsfeldagens is plausible deniability. No public records of them being employed by the [Nachrichtendienst](#) exist and they only answer to [Vertreter](#)-ranked personnel.
