

# Water Park

The beach resort of the Nature Parks on Abwehran stations, the Water Park is literally a beach setting with warm tropical water and everything a tropical paradise could hope to have. Not really an Abwehran attraction, the Water Park is more to cater to Non-Abwehran Xenos. Water Parks have an average area of 5 square kilometers of space.

Changing rooms and towels are provided at the entrance of the Park and boat rental is available. Non-Abwehran Life Guards are on duty during operating hours.
