

Gulvisa Gia (Claw blade)

The Claw blade is a weapon used by members of the [Poku Saeruo Degonjo](#) who use the [Bakyu-daho'te \(Silent Fighting\)](#) style.

This is held in the hand with the curved blade protruding between the fingers. It is used to stab and slash, and when use properly, can puncture internal organs, or inflict wounds that bleed out quickly by slicing the veins or arteries. This is an uncommon weapon and not usually worn in public.

The blade is six inches long, attached to a wooden hand grip.

Only used by members of the [Tavi Fua Jael \(Blood Tooth Sect\)](#).
