

# Niuta Norjopai (Musical Instruments)

This page lists the unique musical instruments that are used by [Poku'vonai](#) in the *[Poku Saeruo Degonjo](#)*.

## Bag Basoon

This instrument consists of a double 🎷 [basoon](#)-like piece and a large air bladder that is filled by a bellow. This air-filled bellow is worked by the tail of the Nuita'a (Musician). The air in the bag is channeled into the instrument by the action of the tail; a number of valves and levers that the user manipulates with their paws creates bass notes. A mouth piece blown into by the operator controls upper chords and tenor notes.

## Makoa'sa Nuita'a (Musician Board)
