

Siam Ruo'sa (Divine Room)

The Siam Ruo'sa is the place of worship on [Poku Saeruo Degonjo](#). All starships have a Siam Ruo'sa for use by the crew. They are typically maintained by a [Detis Goa'a](#). For convenience the Goa'a has a Uospa'te Ruo'sa (living room) adjacent to the temple and also has a personal workspace as well. Smaller vessels may have a Siam Ruo'sa without a dedicated Goa'a or quarters for one.

There is an altar located at the front of the Ruo'sa and a cloth is draped across the altar for ceremonies. The cloth is typically in the colors based on the [Afirmugaly \(Heraldry\)](#) of the owning [Jaeli \(Sects\)](#), [Ruoka \(House\)](#), or [Punla \(Family\)](#). The Siamaka symbol is suspended above the altar and rotates slowly. The ceiling of the temple is typically decorated with a scene of space; star fields and nebulae being the most common subjects. [Tyo'te Wuny'ta \(Fire Suppression\)](#) ports will be present but made to blend into the decoration.

The main entrance to the Siam Ruo'sa is located opposite of the altar. The floor is covered in a plush carpet, and the crew members participating in the ceremonies stand, sit, or kneel on the floor. Temple floors are always a golden-brown color. There is [Ibâ'te \(Lighting\)](#) in the ceiling.
