

Navumi Wuny-me (Cargo Storage)

The Navumi Wuny-me or cargo storage is one of the [Mâhoai Âdor \(Sky Harbors\)](#) facilities. The facility holds cargo that is to be shipped off world, or cargo that has been received and is waiting for delivery. It is located at the edge of the Sky Harbor, and consists of mostly storage areas. Some storage areas are open and others are enclosed.

The facility is divided into inbound and outbound. Outbound cargo is processed through the [Sâgely \(Customs\)](#) after being cleared. Containers are sealed and may not be opened after being placed in it. When the ship they are to be shipped on is ready, the cargo is transferred to the ship by [Wuny-me Poasyte \(Cargo Management\)](#).

Inbound cargo is offloaded and brought to [Sâgely \(Customs\)](#). Once cleared they are brought into storage and kept secure until the owner arranges pickup and transfer.
