

Sahaad Shield Technology

Not approved

Despite having superb armor protection, the [Sahaad](#) know the value of shields. While their shield technology is not as advanced as some it does the job, taking full advantage of the interactions utilized to create protective barriers. The shields of the Sahaad tend to lean more towards lessening the impact damage on their armor plate then outright blocking. However they do provide ample resistances against EM and Solid weaponry.

Standard Shield Systems

- [Electrostatic Shield](#)
- [Electromagnetic Shield](#)

Experimental/Exotic Systems
