

LSDF Medical Aid Station

Located in various locations in starships and in installations, medical aid stations are intended to serve as the first line of treating personnel in the event of injury, excessive fatigue, or illness while on duty. Medical aid stations include two cots, and a single [Treatment and Examination Bed](#). Medical aid stations include a snack and drink dispenser, as well as various [Lorath First Aid Kit](#) units. A communications panel is also included in the room which has a direct line of communication to the nearest medical bay.
