

NMX Type 31A Light Infantry

NMX Type 31A Light Infantry were a common type of standardized humanoid soldier found in the [NMX](#) forces during the [Second Mishhuvurthyar War](#). They were generally cloned and equipped with the minimum supplies needed to fight.

History

After [Mishhuvurthyar](#) had captured [Nekovalkyrja factories](#) and equipment in [Nataria](#) and did their best to re-use it against the [Yamatai Star Empire](#). To do that, the [NMX](#) created a light infantry unit in [YE 31](#) and continued to deploy them until the war died down in [YE 34](#).
