Original Article

Sfrarabla Mishhuvurthyar Xhrafuklurp, or SMX for short, is a massive military conquering force dedicated to the conquering and enslavement of other worlds. While the SMX once consisted of dozens of fleets numbering in the millions, constant warfare whittled down their resources, requiring them to reorganize their assets and to retool their ship lines to match their opponents.

The SMX is currently divided into 5 Battle Fleets. Each fleet contains a total of 1100 vessels which are divided into a Fleet Core Battlegroup and then 3 taskforces which each contain 10 battlegroups of their own (numbering a total of 320 vessels each).

Different battlegroups hold the current number and types of ships:

Mishhuvurthyar Fleet Core Battlegroup (140) *One per battle fleet*

- 13 Battleships (including one flagship)
- 19 Carriers
- 45 Gunships
- 33 Destroyers
