

New Yellow Relief and Developmental Society

The New Yellow Relief and Developmental Society¹⁾ is a revival of the ancient colored faction known as the Yellows. Formed in [YE 40](#), they are currently based out of [Kennewes](#). Much like the Greens allied with the Blues, the Yellows are a steadily growing group that take pride in providing better standards of living to the citizens and civilians.

About NYRDS

Consisting of various men and women raised in the streets of Funky City, NYRDS operates its HQ from Kennewes to allow them easier access to Yamataian civilian markets. They are known currently for:

- Lobbied and pushed for the creation of [Support, Aid, and Warden \(SAW\) Corps](#) to promote a more effective and life-saving medical personnel spot.
- Work alongside [Ken-TEC](#) to get various suits of the [KT-M1-1B "Warlock" Powered Armor](#) to frontier worlds for disaster relief.
- Funded the creation of the [Nepleslian Organized-Circuit Boxing League](#) to help give orphans a home, youths a place to vent their frustration, and to give those without skills or with disabilities a place to work.

Building	Location	Description
HQ	Kennewes	A simple complex, where NYRDS develops and handles the logistics of their industry. Houses countless relief crews and acts as a base for organizing the group's efforts to assist the various worlds of Nepleslia.

Working with NYRDS

Becoming a NYRDS worker (affectionately called NYRD) is actually quite an easy task. Although they are currently based on Kennewes, various recruitment offices are scattered around most of primary Nepleslian space and on the larger cities of its [Colonial Expanse](#). After filing for a job, NYRDS will screen their applicants for any illegal drugs and a hard-criminal background. Those found to be within qualifications are hired and paid a rate of 20 DA an hour at any hourly-based job. Any job that relocates

them will convert their pay to 300 DA per week on location as well as covering any travel expenses.

Accomplishments

In YE 40, NYRDS began its own independent movements; the creation and [Senate](#)-pushed passing of the [Nationwide Optimization of Medical Symbols Law](#) was their first big success to streamlining medical personnel and facility identification.
