

Commander

Commanders are executive officers on a ship and serve directly under the [Captain \(NSN\)](#). They often have acting position on the bridge crew at one of the stations, or as a strategic adviser. To become a Commander, a person most likely is promoted from [Lieutenant \(NSN\)](#) when the position of their ship XO was open, or another ship's XO position was open. When the [Captain \(NSN\)](#) leaves the ship, the Commander becomes the acting CO of the ship until his/her return. Commanders make 1000 DA a week.
