

# Private

A Private is a Marine fresh from their advanced combat training. They've not experienced their first real battle and will remain at this rank until they do. Characters of this rank make 200 DA a week. The next highest rank is [Private First Class](#).

For a full listing of Neplesian military ranks, see [Neplesian Military Ranks](#).

## History

Previously there was a Private Third Class and Private Fourth Class rank, but they were merged into this rank in [YE 37](#) following a streamlining of Neplesian ranks.
