

Senior Corporal (Old Nepleslian Rank)

Senior Corporal is a rank of interpose between Corporal and Sergeant. The Senior Corporal has mastered the basic tactics of coordinates his/her teams, and has a grasp of how to make them work together as a squad. Marines with this rank are well on their way to becoming leaders of platoons and squads as a Sergeant, or are leaders unmatched in the use of the team he/she controls. A character with this rank makes 300 DA a week.

This rank has been discontinued. See [Nepleslian Military Ranks](#).
