

Common Supply Chain Ammunition

CSCA is a standard specification for ammunition created in [YE 33](#) intended to allow ammunition to be used between various different weapons fielded by the [Democratic Imperium of Nepleslia](#)'s military arms.

CSCA program started in [YE 33](#), providing specifications for standardized ammunition that could be used across a wide range of weapon systems for logistical purposed to suit infantry and power armored soldiers. It has the goal of allowing the [Nepleslian Military](#) to streamline its supply chain, of providing the nepleslian soldier with a range of weapons that use CSCA, of providing top of the line ammunition, and to help share the specification among manufacturers that supply to [NAM](#).
