

# Nerimian Defense Initiative

The Nerimian Defense Initiative was the military arm of an extra-galactic faction called the Nerimian Galactic Confederation a.k.a the Sol Confederation. It was an ally of the [Yamatai Star Empire](#) beginning shortly after the [Star Army of Yamatai](#)'s formation in [YE 21](#) thanks to negotiations by [Ketsurui Yui](#). When the [Second Draconian War](#) broke out in [YE 24](#), Yamatai joined the fight with millions of ships. An enemy incursion into the Star Army universe resulted in the battle of [Ralfaris](#). After the war, the NDI retained bases in the [Ether](#) and [Xylar](#) systems until [YE 32](#). At present, there are no NDI forces remaining in the [SARPiverse](#).

The NDI was played primarily by [Derran Tyler](#).
