

# Neshaten Medium Ship Cafeteria

The [Neshaten](#) medium ship cafeteria is found on medium sized vessels and above, and can be used as a secondary cafeteria on larger ships and stations. It has carpet for flooring and the nations flag etched into the ceiling, there are lights as well which are in the walls. The walls are made out of a soft material, not padding, but not rough either.

The cafeteria has seating for up fifty individuals and including the following:

- Gas Stove
- Wood Stove
- Two-four refrigerators
- Salad Bar
- Two-four ovens
- Mixers and slicers

On some ships, the cafeteria might be connected to a ships food storage bay.

## Additional Details

In some ships and stations, the cafeteria might be customized and have additions, such as plants that were grown into the ceiling. In this case, there are groves in the floor that helps divert water droppings toward a receiving point.

The plants help create a fragrance in the room.

The cafeteria is square shaped, with the northern side usually housing the cooking area with the remaining space taken up by tables and two doors on the southern side for entry. There is enough room for forty crewmen at once.
