

Space Navy Hierarchy

The [Shukara Volunteer Navy](#) has a complex hierarchy that determines where ships and units are placed. As it's been mentioned already, the Shuakra Navy is a combination of a Navy and Army, this technically makes them a Star Army but right now the military is strictly known as a navy.

Army Hierarchy

Below is a list of details related to their armie's hierarchy.

Name	Strength	Constituent units	Leader
Theater	3,840 ¹⁾	Two Corps, but can vary	Q'Abrenal or Sere'ta'kon
Corps	1,920 ²⁾	Two divisions	J'Yura
Division	960 ³⁾	Two regimental batallions	U'Cetrinal
Regimental Batallion	480	Two Batallions	M'Aura
Battalion	240	Two companies	N'Marida
Company	120	Three platoons	R'Mueta
Platoon	40	Two squad patrols or four squads	G'Tyere
Squad Patrol	20	Two squads	X'Muyeia or O'Eytene
Squad	10	Two fire teams	X'Muyeia
Fireteam	5	n/a	A'Fuereb
Fireunit	2	n/a	Anyone

Unlike the Space Navy, the Space Army portion of the navy permits enlisted soldiers limited command capability; with [A'Fuereb](#) and above being allowed to command non-combat oriented units such as small supply units and logistical groups, though usually with warrant officer or officer supervision.

Space Hierarchy

The following list is the actual Space Navy's Hierarchy.

Name	Strength	Constituent units	Leader
Navy	Entire Navy	Entire Navy	Q'Abrenal or Sere'ta'kon
Fleet	Varies	Two Flotilla's or Two Task Forces or Four Force Wings	Q'Abrenal
Flotilla	Four Hundred	Two Task Forces	Q'Abrenal
Task Force	Two hundred	Five Force Wings	P'lurebe
Force Wing	Forty ⁴⁾	Four Squadrons	P'lurebe
Squadron	Ten ⁵⁾	Two Flight Elements	J'Yura
Flight Element	Five ⁶⁾	Five Elements	U'Cetrinal

Name	Strength	Constituent units	Leader
Element	One	None	U'Cetrinal

A [Sere'ta'kon](#) can command anything.

In the Space Navy, all combat ships require the officer to be the rank of [U'Cetrinal](#) before even being considered for command. However, despite a [U'Cetrinal](#) being the first actual command rank, it's actually possible for officers below that rank to command supply ships and other much smaller craft, such as tenders or repair ships.

Flotilla and Force Wing

Both the Flotilla and Force Wings are temporary formation's that are only used when major campaigns are underway or for very specific purposes.

[1\)](#) [2\)](#) [3\)](#) [4\)](#) [5\)](#) [6\)](#)
, , , , ,

Actual strength can vary, depends on theater
