

Neshaten Drones

The [Kingdom of Neshaten](#) utilizes a number of drones for various purposes, but all drones are under strict supervision.

Non-combat Drones

These are drones that don't have a combat purpose

name	purpose	price	usage
j1_camera_drone	Navigation, Hazard Operations	300 Rn	Military and Civilian

Combat Drones

These are drones that are armed and thus found used by the military, trade families, or law enforcement.
