

Red Military

The new military for the [Nepleslian Reds](#) began to discreetly build up on [Fujiko](#) in late [YE 30](#). This location wasn't ideal but it was deep in Yamatai's "back yard" which provided protection from the [Greens](#).

Because of their poor financial situation, the Reds have been looking for more creative ways to get starships, such as piracy and deception, as well as expanding their criminal activities to acquire more funds.
