

Karasu Samurai

These are the samurai of the [Karasu Clan](#) of the [Yamatai Star Empire](#).

History

Before the outlawing of slavery in [the Yamatai Star Empire](#), the Karasu Samurai were frequently used as enforcers in the slave trade that made the Karasu Clan rich. When the Clan shifted to work in banking and accounting, the Samurai became guardians of the Clan's wealth and property, protecting each with their lives and Naginatas.

Motto

"We are the North Wind" is their motto, which is to say: Cold and biting.

Weapons and Training

Karasu Samurai are trained in the ways of the sword and bow, but they favor the Naginata for its reach. Each Karasu Samurai owns and typically carries a Naginata with the Karasu Raven imprinted on the blade.

Code

They follow a simple code: "Clan, Honor, Blood". This Code is explained further, below.

- Clan: Listed first, because the highest honor is to serve the clan and to preserve it – the Clan will be remembered, the individual will not.
- Honor: is victory over oneself and one's enemies.
- Blood: is the representation of honor – the blood of one's enemies, the blood of oneself, and finally the blood of the family.
