

# Cloned Humans Ban Act

Proposal #78 - Cloned Humans Ban Act was submitted to the [Senate of Yamatai](#) by Central Yamatai Senator, [Yasuko Kurokawa](#) in [YE 29](#). This proposal passed 3-1.

"The [Star Army of Yamatai](#) should be a moral organization that values the lives it puts into service, on the front lines, protecting this Empire. That the military is willing to produce and/or clone humans, when a vast population of willing [Nekovalkyrja](#) is ready and able, shows that the military has stopped valuing those lives. This must be corrected immediately, if we are to remain not only a military power, but a moral power in the galaxy." – Sen. Yasuko Kurokawa, C. [Yamatai](#)

## Purpose:

To ban any and all cloning of humans by the [Star Army of Yamatai](#).

## Cloned Humans Ban Act

1. Cancel the [Mass Production Infantry system](#) recently proposed by the [Star Army of Yamatai](#).
2. Reinforce the idea of continuing to create individualized [Nekovalkyrja](#).
3. Promote through incentives the birthing of more [Nekovalkyrja](#).
4. Bolster the recruiting of Yamataian citizens.

## Excluded:

- [ST](#) cloning. It does not create empty, wasted life, but simply furthers life already established.
- [ST](#) backups. See above.
