

Unified Law And Military Regulations

Proposal #63: Unified Law and Military Regulations was submitted by [Ketsurui Yui](#) to the [Senate of Yamatai](#) in [YE 27](#) where it was passed unanimously.

Purpose:

1. Because not all citizens are in the military, it would be better to have the military regulations exist on their own and not as part of the Unified Law that is currently being composed.
2. Mainly for purposes of efficiency organization.

Proposal:

1. Military-only Laws (Proposals and Decrees) will not be included in the [Unified Law Act](#).
2. The Proposals and Decrees that pertain only to the military that have been already passed will be part of a Military Regulation document that will be composed seperately.
3. (For clarification purposes) Military members will of course, unless otherwise specified, be subject to the [Unified Law Act](#).
