

# Project Gijutsu

## Abstract

Understanding Mishhuvurthyar Starships and technology

## Details

In YE 31 the *Scientific Studies Service* acquired a number of *Mishhuvurthyar* starships. The project is to develop an in-depth understanding of *Mishhu* starship technology, then investigate methods the *Star Army of Yamatai* can infiltrate, disable, and destroy them.

Location: Initially these ships were delivered to *YSS Tsuiken*. *SSS* contacted Star Army Command regarding acquiring a secure location to conduct this research and protect the assets. It was decided to transfer the ships and *SSS* personnel to *Origin Industries Dawn Station*. The *SSS* will be establishing a large *SSS - Satellite Campus*, and lab space equivalent to *Kisaki - Research - Habitat Module*. The *SSS* will be renting space from *Origin Industries*, and working jointly with their engineers on examining the enemy technology.

Precautions:

- To be determined

Equipment acquired

- 1 Blakkrashiverinth Battleship
- 1 Ooghrashithagg Carrier
- 3 Ghullfrashirv Escort
