

Scientific Studies Service - Cargo Handler

And organization like the [Scientific Studies Service \(SSS\)](#) depends on moving a lot of equipment and supplies. It is vital that these items get to their proper destination on time. Personnel trained as Cargo Handlers are responsible for inventorying shipments when received and storing them properly. They are also responsible for transferring cargo from storage areas to staging areas, and onto [Tansaku-class Science Vessels](#).

Those serving aboard starships and starbases are also responsible for ensuring that the cargo is properly secured so that is it not damaged during travel.
