

SSS - Satellite Campus

In the latter part of [YE 31](#), the [Scientific Studies Service \(SSS\)](#) began offering small campuses to other locations. These facilities were limited in scope to provide more off campus education.

These campuses allow military and civilian personnel who can not get to [Yamatai \(Planet\)](#) to take classes. Unlike online offerings which are a single class structure, these classes fall into the regular curriculum.

Quarters

Students attending classes at a Satellite Campus must have their own quarters. [SSS](#) rents living space for all staff at the campus.

Configurations

Satellite Campuses come in three size/configurations. The [SSS](#) either rents the necessary space on artificial structures, or purchases land and buildings on planets.
